--

Overview of the Job

The Irish Deaf Society seeks to achieve and promote the equality and human rights of Deaf people in Ireland. We campaign for full access to citizenship and society. The Irish Deaf Society is Ireland's only Deaf led national representative organisation. We are members of the World Federation of the Deaf and the European Union of the Deaf. See more information about IDS on www.deaf.ie.

We are hiring a Digital Education Officer. The successful candidate for this role will maintain and continue to develop our Brightspace Learning Management System (LMS). The successful candidate will work in the Deaf community with an appreciation and respect for Deaf culture and Irish Sign Language.

--

Main duties and responsibilities:

Work with staff, trainers and learners to develop digital learning resources on Brightspace LMS.

Responsible for designing, testing and implementing highly accessible digital learning solutions, ensuring they are up to date and relevant.

To work with our team to maintain quality assurance processes

Support the promotion of online and blended courses and training

Manage the creation of a wide range of e-learning and animation resources

Personal Specification (Knowledge, Experience and Skill Set Required)

In-depth knowledge of Learning Management Systems, experience with Brightspace will be an advantage.

Experience training teaching staff and learners in use of the LMS

Experience of digital media production including animation, editing video and audio content will be an advantage.

Skilled in careful planning, scheduling and coordination of complex tasks

Ability to work independently and as part of a team

--

Experience and Qualifications

Degree level qualification in the field of ICT or Learning and Development related discipline or the equivalent skill level from employment history. Experience in designing, testing and implementing digital learning solutions.
